Management Accounting is pleased to provide your company with the professional services described below. This letter confirms our understanding of the terms and objectives of our engagement and the nature and limitations of the tax services we will provide. Our engagement will be designed to perform the following services:

- Propose any adjusting journal entries that we find necessary in connection with preparation of the income tax returns.

\*This engagement does not cover the preparation of any tax returns not listed above, financial statements, tax planning, estimating or consultations outside of tax season, if we are to provide, will be covered under a separate engagement which will be billed at an hourly rate of \$280 per hour, unless otherwise stated or agreed upon.

We will prepare the above referenced tax returns solely for filing with the Internal Revenue Service (IRS) and applicable state authorities. Our work is not intended to benefit or influence any third party, either to obtain credit or for any other purpose. You agree to indemnify and hold us harmless with respect to any and all claims arising from the use of the tax returns for any purpose other than filing with the IRS and state tax authorities regardless of the nature of the claim, including the negligence of any party.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. However, should we find any irregularities or unusual items, we will bring them to your attention. If we discover any errors or omissions on a prior year return, we will bring them to your attention as well. We will be happy to prepare appropriate amended returns as a separate engagement.

We will use our judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

We will not directly respond to any request from banks, mortgage brokers or others for verification of any information reported on these tax returns without prior authorization. If this information is needed, please contact our office for the specific authorization forms to be completed.

Tax planning services are not within the scope of this engagement. During the course of preparing the tax returns identified above, we may bring to your attention potential tax savings strategies for you to consider as a possible means of reducing your taxes in subsequent tax years. However, we have no responsibility to do so, and will take no action with respect to such recommendations, as the responsibility for implementation remains with you, the taxpayer.

You are responsible for assuming all management responsibilities and for overseeing any services we provide by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, or experience. In addition, you are responsible for evaluating the adequacy and results of the services performed and accepting responsibility for the results of such services.

You are responsible for ensuring that personal expenses, if any, are segregated from business expenses and that expenses such as meals, travel, vehicle use: gifts and related expenses are supported by necessary records required by the IRS and other tax authorities. At your request, we are available to provide you with answers to your questions on the types of supporting records required.

You are responsible for determining the appropriate salary or wage to pay shareholders. If the IRS determines that the S-corporation made distributions in lieu of an appropriate shareholder salary or wage, the IRS may reclassify the payments. As a result of the reclassification, the shareholder and S-corporation may be responsible for employment taxes on the reclassified amounts in addition to penalties and interest. You agree to hold our firm harmless with respect to any liability, including but not limited to, additional tax, penalties, interest, and professional fees resulting from changes to the S-corporation shareholder salaries and wages.

If you had virtual currency activity during the tax year, you may be subject to tax consequences associated with such transactions and may have additional reporting obligations. You agree to provide us with complete and accurate information regarding any transactions in or transactions that have used virtual currency during the applicable tax year.

The IRS permits you to authorize us to discuss, on a limited basis, aspects of your return for one year after the return's due date. Your consent to such a discussion is evidenced by checking a box on the return. Unless you tell us otherwise, we will check that box authorizing the IRS to discuss your return with us.

The returns may be selected for review by the taxing authorities. In the event of an audit, you may be requested to produce documents, records, or other evidence to substantiate the items of income and deduction shown on the tax return. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of a tax examination, we will be available, upon request, to represent you. When records are returned to you, it is your responsibility to retain and protect the records for possible future use, including potential examination by governmental or regulatory agencies. By signing this engagement letter, you acknowledge and agree that upon the expiration of the seven year period, we are free to destroy these records.

It may become necessary to apply for an extension of the filing deadline if there are unresolved issues or delays in processing, or if we do not receive all of the necessary information from you on a timely basis. Applying for an extension of time to file may extend the time available for a government agency to undertake an audit of your return or may extend the statute of limitations to file a legal action. **Filing for an Extension extends your time to file. However, all taxes owed are due by the original filing deadline. Additionally, extensions may affect your liability for penalties and interest or compliance with government or other deadlines. It is not the responsibility of our firm to assume an extension is needed. You are responsible for contacting our office to confirm that we will need to file an extension for you in advance of the original filing deadline.**

In an effort to avoid any misunderstanding that may arise under the terms of this agreement, or as to the nature, quantity, or quality of any services rendered, we both agree, if we are unable to reach an agreement, such misunderstanding shall then be resolved in accordance with the arbitration procedures promulgated by the American Arbitration Association. We have the right to withdraw from this engagement if you do not provide us with any information we request in a timely manner, refuse to cooperate with our reasonable requests or misrepresent any facts. Our withdrawal will release us from any obligation to complete your return and will constitute completion of our engagement. You agree to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.
